Dear Mr. Canessa:-

I am enclosing herewith bill for
your 1922 and 1923 dues. The non-payment of
the 1922 dues has probably been an oversight.
May we not hope for an early reply.

Your interest in this Society in
the past makes us feel sure that in case you do
not care to continue us a member, you would far
rather pay the arrears and present your resig-
nation in our form than be dropped. We do hope
however, that you will remain one of our members.

Dear Sirs:

Your catalogue of the Collection Polese reached us yesterday. I am writing to point out to you that this leaves too short an interval for any one in America to send you bids for this sale. There are a number of very interesting coins in which I am sure our members would have been interested had the catalogue reached them in time. I hope that for future auctions it will be possible for you to allow a greater interval between the time of the mailing of the catalogue and the sale, or else to send advance sheets and plates to the Society where they can be consulted by its members.

Kindly send, with your bill, two copies of the list of prices which these coins bring. Might I suggest also that you let me have a list of such pieces as you may acquire for your own stock; there is a possibility that some of our members might care to acquire these pieces from you.

Regretting that your catalogue did not reach us more promptly, I am

Will you kindly deliver to bearer the catalogues
purchased on Tuesday. Also, if you have not previously sold
them, the set of LAROUSSE- \$40.00, and the

The bearer will turn over to you the amount for these
two in cash.

We are not interested in the set of LA MUSEE at the
price you quoted. If you do not sell them and care to accept
\$15.00 for them, we will pay that if you will have them sent
to us by parcel post.

Dear Mrs. Schumm:

Did you tell me that you were unable to find the keys for the large cases which you left with us when you were here? My reason for asking is that we have two members who are considering them but who are troubled by the absence of the keys. I think I shall be able to dispose of the two smaller cases. You will remember, will you not, that I should like to know whether there are any more small cases available, or any others of any size.

Awaiting word from you, I am,

Very sincerely yours,

May 28, 1930.

My dear Mr. Noe:-

I received your letter of the 27th, enclosing cheques for \$35.00 for the coin cases, for which I thank you.

As to the keys, I am afraid they are gone irrevocably. When the goods went to storage they keys were fastened on the cases with a string; the fact they are off means they have been lost. I should think it would not be a serious matter to have new keys made, and the cases were a bargain to any one who could use them.

I have looked through the storage list and I do not see any other cases mentioned, but if in the final clearance any should crop up, I shall send them to you.

I enclose receipted bill for your records.

Sincerely,

A.B. Schuman, Jr.

P.S. Do you need a safe? We have one for sale.
